Motivational interviewing MICA coding walkthrough series

IFIOC trainer, John Gilbert, deconstructs his MI coding process, introducing DCYF staff to the MICA tool. This video playlist highlights differences between person-centered, competent,

and proficient MI examples. John points out key dynamics, MI intentions and strategies, as well as coaching and coding tips.

- [Person-Centered MI Practice Example with Coding and Coaching Notes Breakdown](#)
- [MI Competent Practice Example with Coding and Coaching Notes Breakdown](#)

MI proficient practice example

Proficient example includes an opportunity to listen to the audio and take own notes prior to watching John's video of him walking through his coding and coaching notes.

- [Invitation to Listen and Take Notes with the MI Proficient Examples](#)
- [Proficient Practice Example Audio - College CD #5](#)
- [MICA Coding Worksheet](#)
- [MI Proficient Example with Coding and Coaching Notes Breakdown](#)

Now watch John walking through his coding and coaching notes.

- [DCYF MI Practice Example of Focusing on Sustain Talk for Engagement](#)

MI and referrals

Resources focused on supporting providers in their conversations with case workers about services. Because we emphasize the use of Motivational Interviewing (MI) as an engagement strategy, providers sometimes need to clarify referral information and have requested MI examples to reinforce their MI training.
